The following changes(s) shall become part of and supplemental to the above mentioned Competitive Solicitation.

Questions and Answers:

Special notes in response to questions during the walk-thru in Rogers Hall:

1. Install Johnsonite #63 Burnt Umber base to match the size of the base where it currently exists. (1st Floor - 4”; Floors 2nd thru 8th - 6”)

2. Install 6” Johnsonite #63 Burnt Umber in laundry rooms 3rd and 6th floor ONLY

3. **Non-adhesive** application for all carpet tiles and LVT installation

4. Install transitions in all places where carpet tiles meet LVT: (At door thresholds where the carpet meets the LVT at the entrances of the apartments, and inside the apartments where the LVT meets the carpet at the threshold leading to the study area)

5. Install transitions for all thresholds leading to exterior doors and where LVT meets concrete

6. Install reducers for LVT elevator door thresholds

7. Install quarter round base in the apartment living room/kitchen areas where the LVT is to be installed. The color is **Sherwin Williams FSU Housing Bone White**
