The Big Bend Minority Enterprise Development (MED Week) Committee will host its 23rd Annual MED Week "Emerging Markets and Industries: A Blueprint for Success" on September 27-October 1, 2015, to recognize the diligent efforts and contributions of minority owned firms in Tallahassee and its surrounding areas. The MED Week organization was established by Presidential Proclamation in 1983 to recognize the outstanding achievements of MBEs and to honor those corporations and/or financial institutions that support minority business development. The event will bring business owners, public officials, industry executives, media, supplier diversity managers, public and private lenders and minority business advocates with a focus on growing business relationships.
