**Purchasing Card Proxy Quick Reference Guide**

1. Approve all P-Card charges in OMNI by **12:00pm on Monday**. If the main proxy will be unavailable, the backup proxy must approve charges by the deadline. Any transaction not approved by the deadline will be “Forced” (approved by P-Card Staff) which will result in more audits and/or disciplinary action for your department.

2. The monthly Reconciliation Form must be completed (available around the 15th of every month) and emailed by the due date on the form or risk cardholder suspension.

3. Use the following OMNI Financials queries to research information.

<table>
<thead>
<tr>
<th>Query Name</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>FSU_DPT_PCARD_TRANS_INFO</td>
<td>P-Card Transaction information by Employee ID, Transaction Dates, and Dept ID including information on multiple allocated budgets, proxy approver and date approved</td>
</tr>
<tr>
<td>FSU_DPT_PCARD_PROXYUSERS</td>
<td>Listing of proxies and cardholders / department(s) they proxy for</td>
</tr>
</tbody>
</table>

4. Use appropriate Controller-recommended **Account Codes** and input short, accurate descriptions in OMNI for the items cardholders purchase. Descriptions must be specific, as space allows, rather than inputting general “office supplies” or “lab supplies” etc. If the purchase is unusual or may be questionable, extra details in the OMNI description can prevent questions from auditors.

5. **Never allow a cardholder to share their card with you** (only the cardholder can purchase with their card).

6. Advise the cardholder to check the Prohibited Purchases, Special Conditions and Contract lists found at procurement.fsu.edu regularly and do not assume that because the cardholder bought an item on a Purchase Order before, or your director gave them approval, that it is allowed on the P-Card. See below for a sample of items on the Disallowable list that are either prohibited or allowed under particular circumstances.

   **Prohibited**
   - Computers/tablets
   - Contractual Services
   - Automatic subscriptions/renewals
   - Employee meals/personal purchases
   - Copying/printing other than at UPS Store

   **Special Condition Purchases**
   - Fans, air conditioners, heaters
   - Uniform/employee clothing
   - Memberships
   - Gasoline
   - Furniture

7. The cardholder must provide you an itemized receipt within 3 days of the purchase. You cannot allow a transaction to be “Forced” if the cardholder does not provide you receipts. The cardholder must supply a detailed Replacement Receipt if an original invoice cannot be obtained (not allowable on projects).

8. If not already enrolled, sign up for the P-Card Email Listserv and the P-Card Blackboard Site to stay informed.
