Welcome to the FSU Supplier Management System.

Registering with our database does not guarantee our business with your company.

After you complete the short registration process, we will review your information and keep on file until one of the following occurs:

1. If you are a new supplier, once an opportunity has been identified, you will be invited back into the system to provide additional information before payments can be initiated.
2. If you are requesting any updates, our supplier relations team will confirm that the information successfully updated.

If you have any questions regarding solicitation event details please contact us at sourcing@fsu.edu or 1-850-644-6850.

Any issues related to logging in or technical issues, including attachments, questions can be submitted to our third party software host, SciQuest via a Support Form: <http://go.sciquest.com/SupplierSupportRequest.html> or via (800)233-1121, option 2 then option 1.

If you have already established an account for FSU's Supplier Management System, enter your email and password and then skip to slide #8 in this presentation.

If you have not established an account, click the **Create Account** button.

Sourcing Event User Registration

When a new supplier is added to the FSU supplier system, we are verifying with the IRS that the information provided on the supplier registration form matches their database. If it does not match, we will hold the supplier registration (along with any payments) until the correct information is received and confirmed. FSU is making every effort to ensure that the information we report to the IRS is a match prior to making any payments. Please refer to the instructions at www.irs.gov/pub/irs-pdf/iw9.pdf for more information on the information that should be provided.
